

Access Statement for Tillmouth Park Country House Hotel

Introduction

Tillmouth Park is a traditional Country House Hotel and listed building built in 1882, offering an award-winning restaurant and fourteen individual guest bedrooms. Whilst we aim to meet the needs of all our guests there are period features which make access difficult for people with limited mobility. We have rooms on three different levels, all of which (except our two garden suites) are accessed by stairs.

The main building of the hotel is not suitable for wheelchair users.
